Re: Application for Change under Ground Water Certificate No. 7322-A

Dear Mr. Lowe:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

Under the change authorization and subsequent "Showing of Compliance Form" Graham Road Landfill has installed an additional well to fully develop the changed water right. This will enable the full quantities to be used for the authorized purposes of Continuous Industrial Use and the seasonal irrigation of 87 acres. Both wells are required to have operable flow meters installed.

The new deadline to submit your *Construction Notice* is **June 1, 2015**.
